

POLICING THE DRUG MARKET

The Rapiscan Learning Academy develops and delivers global, fully comprehensive, high-quality training programs that help create and sustain a competent, professional and well-educated workforce, enhancing service excellence and customer satisfaction.

Our flexibly blended learning, has been developed to ensure that the Rapiscan Learning Academy is your partner of choice for current and future security training.

COURSE OVERVIEW

The increased manufacturing and trafficking of narcotics, with the addition of the growing adeptness of traffickers in carrying narcotics, has made it difficult to police. The Rapiscan Learning Academy has developed a training course that is focused on how to detect synthetic cannabinoid receptor agonists (SCRA's)(Spice) and other new emerging drug threats but inclusive of classic controlled drugs and prescribed medications.

This one-day **Policing the Drug Market** course, is designed to help tackle drug detection of supplies to both the addict and the recreational drug market. Suitable for a variety of policing teams such as, Police search units, neighbourhood teams, dog handlers and drug officers. Training can either be delivered at one of our training centres, or at your facility if more convenient for you.
